

3/6/2013

Taipei,
Taiwan

Dear [REDACTED]:

We are pleased to inform you that you have been accepted into the Master of Science one-year Course Option degree program in the Mechanical Engineering Department at Carnegie Mellon University.

The Master of Science Course work degree is a self-funded program that takes approximately one year of full time work to complete, which consists primarily of class work, although there are opportunities for limited project work.

Please see the [list of expenditures for the 2011-2012 academic year](#).

Please complete the [International Student Information Form](#) and return it to the Office of International Education at the address printed on the form. There is also a required International Graduate Student Orientation on Tuesday, August 13, 2013. Bring your passport, I-20 or DS-2019 form, and I-94 card. You can find additional information about the orientation at [The Office of International Education web site](#).

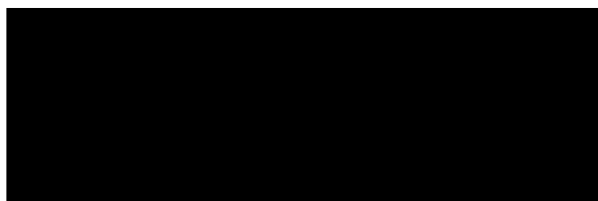

This offer is open until April 15, 2013; however, since a limited number of students are admitted each year, we would appreciate a response from you as soon as possible using our [online decision notification form](#).

It is our sincere hope that you will join our department in Fall 2013. Congratulations on your past academic excellence. We look forward to your continued success at Carnegie Mellon University.

If you have any questions, please contact [REDACTED], our Graduate Program Coordinator, at [REDACTED], our MS-Course and

AGP advisor at ([REDACTED])

Sincerely,

Associate Professor and Graduate Chair
Department of Mechanical Engineering
Carnegie Mellon University
