

COLUMBIA UNIVERSITY

IN THE CITY OF NEW YORK

THE FU FOUNDATION SCHOOL OF ENGINEERING AND APPLIED SCIENCE
OFFICE OF GRADUATE STUDENT AFFAIRS

April 12 2013

Hefei, 

Dear 

Congratulations! It is a pleasure for me to inform you that you have been admitted to Columbia University's Fu Foundation School of Engineering and Applied Science to study toward a Doctoral degree in **Applied Physics and Applied Mathematics** beginning **Fall 2013**. Since you do not already hold a Master of Science degree, it is necessary for you to complete the requirements for the Master of Science degree as part of your studies. The faculty and staff would like to commend you on your past accomplishments which formed the basis of our admission decision in a highly competitive pool. We encourage you to visit our Welcome to Columbia website at www.engineering.columbia.edu/new-students for essential information to assist you with making your transition to the Columbia Engineering community. The academic department will notify you if you have been awarded departmental financial assistance.

It is extremely important that you submit your admission response by, **11:59 p.m. EST on Friday, May 03, 2013**, indicating if you accept or decline our offer of admission. The Graduate Student Affairs Office must receive your response to finalize your student status and hold your place in the **Fall 2013** class. The academic department will notify you if you have been awarded departmental financial assistance. **Click here to respond to the offer.**

You must submit the admission response before you can apply for the visa certificate. An Application for Visa Certificate can be obtained from the following web address: <http://isso.columbia.edu/> and should be completed and returned as soon as possible to our International Students and Scholars Office. This application must be returned with all required materials including a copy of this letter and financial support documentation.

If you choose to accept our offer of admission, enrollment is contingent upon receipt of all outstanding application materials including official test scores and official transcripts from all previously attended post-secondary institutions. Transcripts must indicate the conferral of your previous degrees. If transcripts do not indicate degree conferral please send a separate degree certificate. Mail your official transcripts, and if necessary your degree certificate, to the Graduate Student Affairs office. Official test scores should be sent from ETS to institution code 2111. If the office does not receive the required documentation, a hold will be placed on your registration. We will not be responsible for any late registration fees you may incur due to this delay.

We appreciate your interest in continuing your education at Columbia University. For assistance, please do not hesitate to contact the Office of Graduate Student Affairs at (212) 854-6438 or seasgradmit@columbia.edu. We look forward to working with you in your future academic endeavors.

Sincerely,

Associate Dean
